

DUETS FOR TIN WHISTLES OR IRISH FLUTES

On the following six pages you'll find three duets. These can be played by tin whistles, flutes or other melodic instruments. You might also enjoy playing the harmony part while people are singing the song.

The melody parts appears on the left-facing pages. I have composed harmony parts, which are shown on the right-facing pages.

Audio recordings of these duets, in a number of different instrumental configurations, are available at www.melbay.com/30789MEB.
